

Il se souvenait---

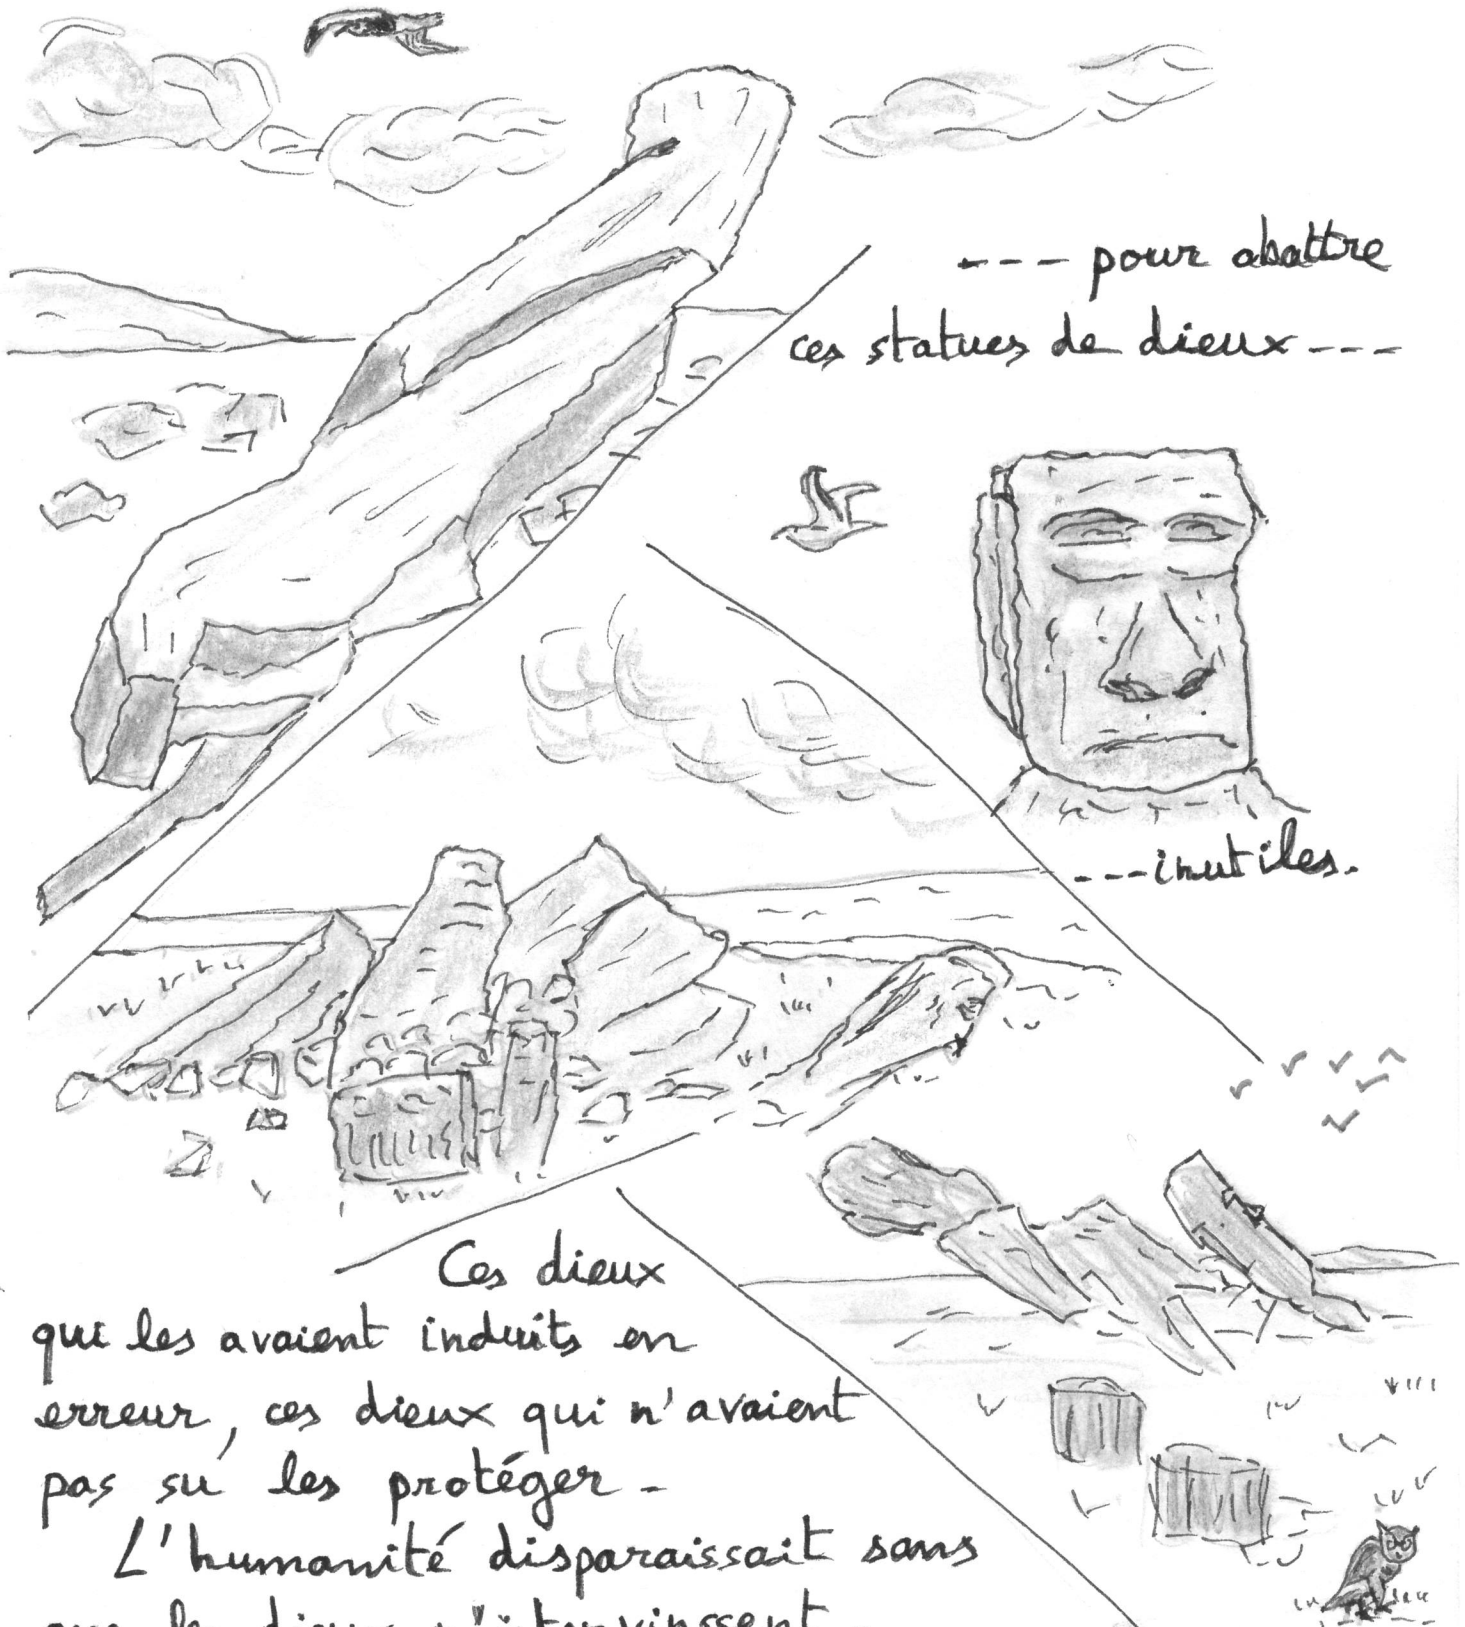

--- avait grandi en sagesse ---
--- et en puissance ---

-36- --- en nombre aussi ---

--- usèrent leurs dernières forces ---

--- pour abattre
ces statues de dieux ---

--- inutiles.

Ces dieux
qui les avaient induits en
erreur, ces dieux qui n'avaient
pas su les protéger -

L'humanité disparaissait sans
que les dieux n'intervinssent -

Leurs yeux étaient vides et regardaient
l'infini du néant entre ciel et mer -

Leurs statues pouvaient bien être
mises à bas -

Il n'aurait pas su!
